

## Your Business is Global. What About Your HR Function?

Managing HR on a global scale is a growing challenge faced by HR executives everywhere. Participate in Hewitt's **Global HR Study before October 31** and receive a complimentary copy of the results to learn:

- How your peers and other leading companies are managing their HR functions to respond to global business demands.
- Which functions and decisions are being supported centrally, versus regionally or locally.
- How other organisations are meeting the challenges of supporting a global workforce.
- What trends, innovations and best practices exist in HR strategy, governance, organisation design, technology, capabilities, and metrics,

If you are interested in participating in this study, please contact your Hewitt Host or Marcel van de Pol at the **Gathering** or via email: [marcel.van.de.pol@hewitt.com](mailto:marcel.van.de.pol@hewitt.com)
